my story

Hello, I'm a 23-year-old woman who works at St. Joseph Mercy Hospital and goes to school at Washtenaw Community College. I am pursuing a degree in radiography. I discovered Habitat for Humanity Huron Valley from the mother of one of my friends who has gotten her home through Habitat.

I have lived in the Ypsilanti/Ann Arbor area all my life, and I graduated from Ypsilanti High School. I would never have thought that I would be able to own a home of my own at such a young age, but I am motivated to build my life here where I have grown up!

A word I would use to describe Habitat is inspirational! One of the many amazing things they have done is help me get my credit together. I can't wait to close on my home!
