

# Meet the Platte Family

Hello! We are the Platte family, Kevin & Kristell, and soon to be baby Annalise! Along with our 4 legged fur-child, Baby. We met in April 2009 and have been together since December 2012.

Kevin is a dock worker at R&L Carriers in Ypsilanti. He's been there for 11 years now. He's an avid cyclist, enjoys exercising daily, and cooking. I, Kristell, am a homemaker and soon to be stay at home mom. I enjoy building stuff, whether it be out of wood, clay or legos. I love reading and learning new ways to be more organic with our lives.

As we are just starting out with our new little family, the opportunity that Habitat has given us is very wonderful and appreciated. We've been living with Kevin's father, Bruce, for the past few years while we repair our credit and pay off debts. We've learned a lot in this period of time about achieving and maintaining good credit. Bruce has been a huge help with us working towards home ownership, as well as helping with Habitat. Since Kevin is an only child, our daughter Annalise will be Bruce's first grandchild. We've been working on becoming home owners for the past few years and we're very grateful that Habitat has given us the chance to finally have a home of our own.

The Plattes' new home will be  
1476 Blossom, Ypsilanti, MI

Thank you to
