my story

I'm Victoria Danielle Newell and I'm 25 years old. I was born in Detroit and moved to Ypsilanti in 2015. I'm the oldest of a set of twins. I am a graduate from Ann Arbor Adult Education Program and will be pursuing my Nursing degree at WCC in the fall of 2019. I am currently employed at Rainbow Rehab Center in Belleville as a Rehab Assistant.

I heard about Habitat from Charlotte White-Smith, my Transition Specialist at WISD. After completing my high school diploma, purchasing my car (without a car note!), and working a full-time job, I wanted to be a homeowner and have a place that I can say is mine. I will have something tangible to leave to my family, and no longer have to pay rent or despair over annual increases from renting an apartment.

I look forward to having peace and quiet in my new home, avoiding the constraints from living in an apartment. **Working on my home and other people's homes through Habitat has made a difference in my life, because it gives me hope and shows me that it is possible to own a home.** The people at Habitat are very friendly and helpful. They'll guide you all the way through the process of helping you toward becoming a homeowner.

AMAZING! Is the single word I would use to describe the wonderful journey and experience that Habitat provided for me.
