

FREE Refrigerator Replacement Program

You may qualify for a new, free refrigerator, delivered to your home at no cost to you!

Qualification Criteria

- You must have DTE Energy for your **electrical** service. **One refrigerator per DTE account.**
- One refrigerator per address.
- Your annual household income must be no more than the maximum below for your household size.

Household Size	1	2	3	4	5	6	7	8
Maximum Annual Income	\$47,600	\$54,000	\$61,200	\$68,000	\$73,450	\$78,900	\$84,350	\$89,800

- You must have an old refrigerator that was (a) manufactured **before December 2000** or (b) **meters as inefficient*** that you are willing to replace. If you are unsure of the age of your current refrigerator, check here: <http://www.appliance411.com/service/date-code.php> – OR – Contact Habitat at ref@h4h.org or 734-358-8100 with the brand, model number, and serial number.
- You must surrender your old refrigerator when the new one is delivered to you.
- Enroll online at <http://www.habitatrefrigerator.org/> or complete the information below and e-mail it to ref@h4h.org, fax it to 734-677-1572, or mail it to Habitat for Humanity 170 Aprill Drive Suite A Ann Arbor, MI 48103.
- **Quantities are limited. First-come, first-served. Program may be terminated at any time.**

**Metering procedures involve Habitat staff coming to your home to detect the current kilowatts per hour (KwH) for your old refrigerator to determine whether it meets a minimum level of efficiency*

If You Qualify

- Lowe's will contact you directly to arrange the delivery of your new refrigerator and the pick-up of your old refrigerator (must happen at the same time). Only one delivery attempt will be made.

Refrigerator Specifications

- Your new refrigerator will be a full-sized, white, ENERGY STAR qualified, Frigidaire Top-Freezer model.
